

BACK TO SCHOOL - CHILD'S KIT

APPEAL FOR RESTORATION OF HOPE & EDUCATION DURING COVID-19

RUDOLF STEINER SCHOOL MBAGATHI

Battered by life's hardships, children trickled in one by one into the school's compound upon re-opening of school's in 2021. Like soldiers wounded in war, they needed to be nurtured and supported towards healing of their souls, body and mind. They were looking forward to finally come home to the caring hands of Rudolf Steiner School Mbagathi Nairobi Community. Here they have always found hope, peace and love. We are glad that thanks to some generous donations from various sources, we did not disappoint. Children received a kit of happiness, shared with love.

We were holding on to the hope that Covid-19 was a passing storm and within a short time it would calm down. Unfortunately, it is staying longer and so are its socio-economic effects. A child still needs a pencil, soap and a school shirt just to mention but a few examples and most definitely not from a struggling parent who can barely feed his/her family. We therefore earnestly request for your help to provide for basic school supplies for a needy child under our sponsorship programme.
